

MEMO ENDORSED Report and Recommendation, 15 Civ. 1556 (PKC) (AJP)

The August 17 conference is cancelled. I recommend to Judge Castel that he dismiss this case without prejudice for plaintiff's failure to prosecute and failure to advise the Court of his address once he was released from Rikers; the Court has no way to contact him, and he has not responded to the direction that he advise the Court of contact information. Because the complaint arises from incidents earlier this year at Rikers, and are subject to a 3 year statute of limitations, the without prejudice dismissal will not prejudice him.
